Cart

Original, 3 rolls, double-chocolate glazing

[Edit]

[Delete]

Caramel pecan, 6 rolls, vanilla-milk glazing

[Edit]

[Delete]

[Proceed to Checkout]

This lo-fi prototypes shows items vertically, and there is a checkout button at the end of this sequence: at the bottom. There is a number by the cart icon in navigation that shows the number of items in cart, and there are edit and delete buttons for each item. The edit button would take them back to the detail page, and the delete button would remove the item from cart.
